What’s Hatching From the Eagles Nest

Season’s Greeting and Happy New Year

Our January Steak Dinner will be held on Saturday the 9th at 6:30PM. The price is only \$12.00 for members for a choice 12 oz. New York Steak dinner that includes baked potato, salad and dinner rolls.

We moved our dinner to the second Saturday this month to hopefully allow everyone an extra week to re-cooperate from our New Years Eve dinner celebration.

Randy and Dick did another great job on the grill. Thank you! I had lots of help with the dinner but I would like to give special thanks to Thumper – the Rock of Gibraltar in the dish room and he bounces back the next morning to coordinate and serve the trustees New Years Day Tom & Jerry Party. Hats off to Thumper!

Our Annual Chili & Salsa Cook Off will be held on Saturday, January 23rd. All entries must be received by 5:30PM with judging and eating beginning at 6:00PM. Everyone who enjoys spicy food and cold beer is invited to attend for a \$5.00 donation that goes to charity. It’s a great way to warm up on a cold night; and in my mind there’s nothing better than eating and drink-

ing for a good cause!

Our Sweetheart Dinner will be Saturday, February 13th at 6:30PM.

The menu will be similar to last year with a choice of Prime Rib, Alaskan King Crab Legs, or a combination of both. I will have the full menu and prices posted at the bar by Monday, February 1st.

Reservations are strongly suggested and this year we will try and encourage more members to make reservations by first serving the parties with reservations before serving anyone else.

Please call the club at 587-9996 to make your reservations.

Your club will help sponsor a Corn Hole League upstairs on Thursday nights beginning February 4th. The league will run for six weeks ending on March 10th. We will sell Tacos and Burgers on Thursday League nights for 6-8PM from the kitchen.

If anyone wants to volunteer to help with the Thursday night dinners please stop by or give me a call at 587-9996.

Thanks for all your support,

Tom Pratt
